

*Embassy of the United States of  
America Consular Section*

The institutions, individuals, hospitals and/or doctors listed on the following lists have informed the U.S. Embassy that they are qualified to practice in the specified categories. Please note that the U.S. Embassy cannot provide medical advice, make recommendations, or assume responsibility for the professional ability, appropriateness or integrity of any of these medical providers. Arrangements for medical services, including payment, must be made directly between the patient or the patient's representative and the medical provider. The U.S. Embassy has neither the authority nor the facilities to act as a medical grievance committee. If you encounter unsatisfactory services by parties listed on following lists, however, you may send us the details in writing and the complaint will be noted in our files.

Please note that the doctors listed below do not serve as panel physicians for Immigrant Visa purposes. Please visit the Immigrant Visa section for more information on how to find a panel physician.
